Street Bob "Lady Like"

Not bad for a first ride!

Kim's Dyna, customized by Rick's Motorcycles. Yes, you can work in the motorcycle industry without having a licence or a motorcycle, but not for long! At some point the moment comes when you sit yourself on the front part of the seat and enjoy it...a lot.

Like Kim did on a Dyna, which was customized with Rick's parts and components according to her wishes...rear fender, wheels, handlebar and numerous parts are all made by Rick's in Baden-Baden.
