El Dominador 300 mono swing arm

Rick's "Breakout from Stock!"

Rick's 2022 FXBRS Softail Breakout „EAS 300“ Conversion - a radical new style for extreme Softails!

It only takes one brief look from the right, the "sunny side" of all Harleys, of this new Rick's creation to notice it immediately: This Rick's custombike is different. Very different! The traditional Rick's customizing lines are flowing clean as established on other Rick's project bikes - and yet a real "eye-catcher" is introduced with this bike, opening a new chapter at Rick's Motorcycles - and international Harley customizing alike: Rick's Motorcycles "EAS 300 Softail Swingarm" with integrated intermediate shaft!
