## 2017 FXSB "Breakout" 260

It may sound strange, but not all Rick's customers roll on Rick's wheels and with Rick's complete conversions from the "House of Custom" at Flugstrasse 1 in Baden-Baden Oos. As an authorized Harley dealer, Rick's Harley-Davidson also offers the full range of Harley-Davidson custom parts and also from all other aftermarket suppliers. Harley-Davidson has also increased its offer when equipping the motorcycles, which makes it more and more difficult for customizers to improve a Harley.
