

Rick's Harley -Davidson

HARLEY-DAVIDS

HURLEY-CAVIDSON | Authorized Harley-Davidson® Dealer

Shabby Chic

The Harley-Davidson Twin Cam models have now long been history. In 2017, after proud 18 years of making them, the Softail models were substituted with the Milwaukee-Eight drivetrain. But at Rick's they know that there are still many Twin Cam models moving around on the roads. Reason enough for the customizer from Baden-Baden to keep developing custom parts for these models.

Tech Facts

Manufacturer:	Harley-Davidson	Stretch:	Stock	Levers:	OEM Harley-Davidson
