

Rick's Harley-Davidson®
BADEN-BADEN

| Authorized Harley-Davidson® Dealer

Moody Grey

The Harley-Davidson Fat Bob models are a favourite at Rick's when it comes to selecting a basis for another customizing project. There is by now a comprehensive parts program that was developed in Baden-Baden for all Softail models which are fired up by Milwaukee-Eight motors. Part of this is, in addition to fender kits, the swingarm kit with which tire widths of up to 300 can be used.
