Sportster S – XR 240

Presented to the general public in spring of 2021, Harley-Davidson new Sportster S models reached the dealerships in Germany in October of the same year. As with all previous Harley-Davidson models, Rick's Motorcycles was one of the first to develop and offer a comprehensive parts program for the new Sportster line. Of course, a presentable Rick's Motorcycles custom bike, based on the Sportster S should feature wider rubbers and the as many new ideas as possible!
