Darkness

The fate of the Harley-Davidson Sportster models is sealed. Starting with this model year 2021, the “little one” is no longer in the Company’s program. If you still have one, you should cherish it, and if you want to give your Sporty a trendy Bobber look, then the right address is Rick’s Motorcycles.

Already some time ago, Rick’s Motorcycles developed a complete kit with which a Bobber conversion can be achieved in relatively simple way.

In our online shop under <https://www.ricks-motorcycles.shop> you will find everything what you need.
