

Rick's Harley-Davidson®
BADEN-BADEN

| Authorized Harley-Davidson® Dealer

Number One

The Harley-Davidson Street Glide models are real mile eaters during the grand tour as well as providing fun on bendy mountain roads. If you have this tourer as a CVO variant, you can rest assured that it will also perform well at the next traffic light sprint. With a clever makeover, Rick's has achieved a look that stands out from the crowd.
