Brown Sugar

Why does Rick's Road King taste so good?

What is the last opportunity to race your bike on the roads before the monotonous winter days set in and to let the rays of a warming sun reflect on the paint? Harley bikers know the answer by now, and that's why the event has increased in popularity during the last few years, especially in Germany: Mallorca Bike Week. That many Germans now live on the island, made it all the more attractive for customizers like Rick's Motorcycles: Patrick Knörzer of Rick's has for years been part of this scene and uses the opportunity to show his autumn creations in the "best light."
